### November 6, Wednesday (Day 7):

After breakfast we will start our trek towards Wayutsentsa Community right on the Kapawari River bank.

This trek will allow us to interact with the rainforest in many ways. It is a rare opportunity to "step into the shoes" of a jungle human in order for us to understand how communications happen between one community and another.

After arriving into the CTC Wayutsentsa we will accommodate ourselves and have late lunch. Free afternoon until dinner and overnight at the lodge to enjoy a unique experience with the forest.

(Hike difficulty: moderate to hard: mud, root walking, river crossing; 5 hours total, 5 mi. Optional activity)

### November 7, Thursday (Day 8):

After breakfast, fasting time starts (optional.)

Visit the sacred waterfall and prepare for Ancient Ceremony and Medicine Plant encounter at end of day.

### November 8, Friday (Day 9):

After breakfast debrief experiences with Uwichin Rafael Taish and prepare to visit IKIAM Neighborhood for a number of activities among the close members of the family. Have traditional Achuar feast and return late afternoon to pack and be ready to catch the planes out from the rainforest on the next morning.

### November 9, Saturday (Day 10):

After breakfast we will catch our flight back to Shell, drive back up into the highlands and arrive at Papallacta Hot Springs and SPA. Lunch on the way. Arrive late afternoon soak in the thermal baths and enjoy dinner time together.

### November 10, Sunday (Day 11)

After breakfast debrief our journey and group gathering to find ways on how to contribute with rainforest conservation strategies and Achuar people's sustainability.

After lunch continue with conversations and dialogues about different strategies. Have our closing ceremony and celebrate our last dinner together.

Transfer out to Quito International Airport to catch connecting night flights into the US.
